Read through all instructions before you begin. All seam allowances are 1/4" unless otherwise stated.

Fabric quantities based on 42"/115cm width. WOF = width of fabric. LOF length of fabric

Always measure twice and cut once. Please note seam allowances are not always shown in the following diagrams

Autumn Table Runner – 66 x 18

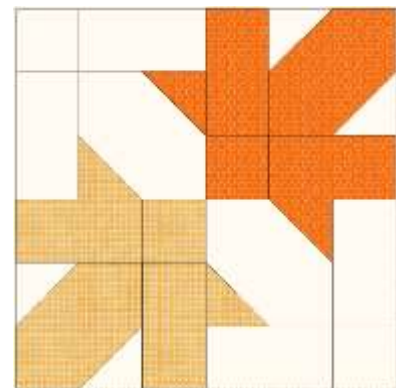

With Autumn just around the corner, there no time like the present to get a quick runner made up for your table. This is features one of my all time favourite quilt blocks since it creates a tessellating pattern when you join them together. See last page for quilt idea

Backing and batting

You need to make 5 blocks. These blocks should finish at 12" or 12 1/2" unfinished.
 To make it easier I would plan the colours for all blocks before you start.
 Mark the backside of 20 - 2 1/2" squares with a diagonal line for stitch and flip piecing, & 2 (4 if you only have 5 colours) of the contrasts

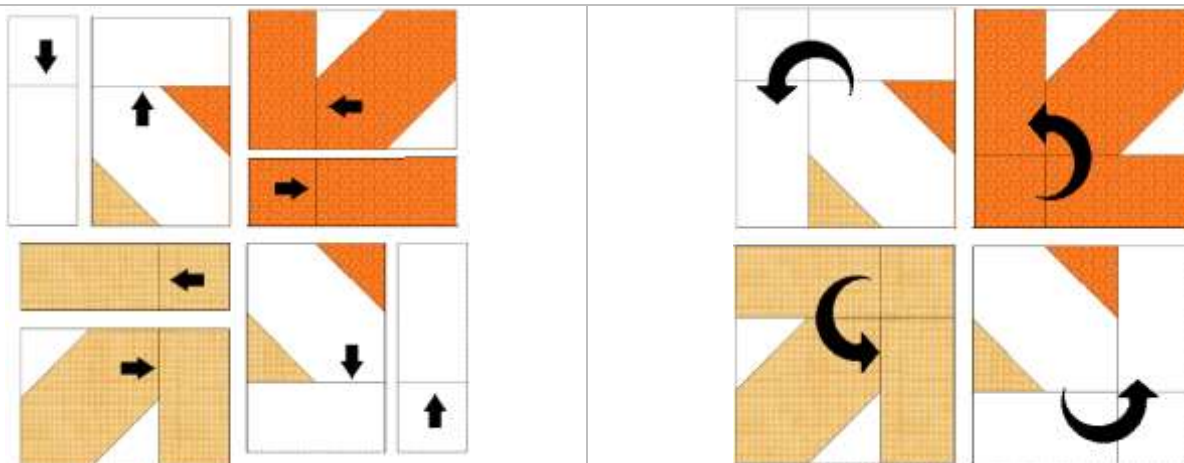

Arrange pieces as shown.

Place 2 1/2" squares, right sides together, on 4 1/2" squares, stitch diagonally on the marked lines as shown, trim leaving 1/4". Press seam towards darker fabric.

Sew together units and press as shown. Spiral press seams in 4 quarters, then assemble quarters into block, spiral press final seam

Arrange the 5 blocks & piece together.

Join the borders end to end. Measure, cut and sew on the borders.

Layer, quilt & bind. If you need binding instructions please go to wilddaisyquilts.com & look for the link on the pattern page.
